

Product Owner (f/m/d)

Are you a Product Owner who enjoys taking ownership and turning vision into meaningful customer value?

In this role, you will transform our product vision into excellent software, working closely with our cross-functional feature teams to create solutions that simplify time tracking for thousands of users.

Graz

Full-time employee

TimeTac is a continually growing and innovative software company with a focus on developing and providing web-based and mobile time tracking solutions. We maintain a modern, open corporate culture with a strong vision and a great working atmosphere in which creative thinking is encouraged. The products of TimeTac are among some of the leading cloud applications in the categories of time tracking and absence planning solutions.

Your future Role

- Serve as Product Owner for our agile feature development team, providing clear direction and guidance.
- Refine and prioritize work items based on feedback, ensuring user stories are actionable and ready for development.
- Communicate the product vision and ensure alignment with organizational objectives.
- Develop detailed user stories, establish acceptance criteria and evaluate product performance using key performance indicators (KPIs).
- Collaborate closely with developers and stakeholders to solicit feedback, align priorities and drive continuous product improvement.
- Actively participate in all relevant agile meetings, including sprint planning, dailies, sprint reviews, retrospectives and backlog refinement sessions.

As part of the Product Management team, you will report directly to our Head of Product Management.

Your Skills

- You have at least 1+ years of hands-on experience as a Product Owner, preferably in a SaaS-context.
- Strong customer focus and the ability to translate customer needs into clear and value-driven product requirements.
- You are confident in making assertive decisions and organizing resources, driving progress and ensuring that milestones are achieved.
- Excellent communication in English, both written and spoken. (Our working language is English). Additional German skills are nice-to-have.
- Good understanding of agile methodologies (Kanban and Scrum); experience with Jira is a plus.

This may inspire you

- a modern office in the city center of Graz
- flexible working time models
- mutual appreciation and respect
- possibility to work up to 2 days per week remotely
- 4 € food voucher for ever day in the office
- continuous learning culture
- multicultural team with great teamspirit
- initiatives for mental and physical fitness

We welcome applicants of any gender and origin to become part of the success story of our highly motivated team. The stated position is available for full-time employment (38,5h/week).

We offer a minimum salary of € 44.500 gross per year (ST1, Einstiegsstufe) with one year of relevant experience as a Product Owner or similar based on the IT collective agreement.

Considerable over-payment is possible for candidates with relevant professional experience and qualifications.
